

THE WORLD'S LARGEST

OPEN HOUSE OF INNOVATIVE LEARNING

COMES TO KANSAS CITY IN MAY 2021

and you're invited!

Join the Classroom Challenge

Showcase hands-on learning for a chance to win \$150 for your classroom!

Remake Learning Days-Kansas City is 10 days of innovative learning experiences hosted by organizations large and small both virtually and in person at locations across the city. The goal is for kids to get creative, become confident, and spark curiosity to learn more. We want to reach as many kids as possible—and that's where you come in!

HERE'S WHAT TO DO

- 1 Plan a fun hands-on learning activity any time during the May 1-10 festival dates. The activity can be as simple or as involved as you'd like. Busy with testing? Take a short hands-on learning break and refresh those creative minds!
- 2 Snap a photo or screenshot and share on social media using #RemakeDaysKC
- 3 Fill out a simple form afterward for a chance to win a classroom prize: www.kcstem.info/RemakeDaysChallenge

At the conclusion of Remake Learning Days, we'll draw 25 entries to receive classroom grants of \$150 each!

QUESTIONS

Contact Callen Fairchild Zind at czind@kcstem.org or 816.564.9511.

NEED IDEAS?

Visit kcstem.info/ideas for a list of activities from local partners that require minimal supplies.

WANT TO GO FURTHER?

Mini grants of \$250 are available for Remake Learning Days events that are open for students and their families or the entire neighborhood.
